6.7 CISM Cadet Shooting – Events

6.7.1 300m Rifle:

Target: Official ISSF 300m Rifle Target. Full Ring Scoring

CISM Cadet Rifle Match:

- 15 Single Shots in 15 minutes, scoring after each shot.
- 3 series of 5 Shots each in 60 seconds, scoring after each series.
- the whole competition is performed in prone position.
- Sighters: 5min, maximum 20 shots.

Cadet Military Rapid Fire Rifle:

The 300m Military Rapid Fire Rifle-Program consists of a shooting event of 30 competition-shots divided into 2 positions of 15 shots each. Each position consists of 3 series of 5 shots and is fired in the following order:

- Prone: 3 series of 5 shots each. Each series in 30 seconds.
- Kneeling: 3 series of 5 shots each. Each series in 60 seconds.

Before each part (Prone and Kneeling), a limited number of 20 sighting shots may be fired within a time limit of 5 minutes. After each sighting shot the target shows the value and the position of the hit on the target.

Competitors will be given a minimum of 10 minutes between each position.

Commands for sighting shots:

“The preparation and sighting time - START! – 30 seconds – STOP!”

The firing will cease with a 3 seconds long whistle tone. During the whistling (27 seconds 30 seconds in prone position 57 seconds to 1 minute in the kneeling position), the competitors may fire. Each shot fired after the end of the 3 seconds whistling will be recorded as zero.

Refire will be shot at the end of each position or the shooter may be resquaded at the decision of the Technical Jury. After each series shot in kneeling and prone position, the targets are shown during 1 (one) minute to the competitor to allow him to observe the hits. Before the command "fire" is given, the weapons are held in the ready position, i.e. the weapon is not shouldered.

Between shooting positions is commanded: "ten minutes changeover times starts!"
