Subject: CISM and Olympic Movement on the Prevention of the Manipulation of Competitions

Dear Chief of Delegation,
Dear CISM friend,

The CISM started recently a partnership with the IOC (Olympic Movement Unit on the Prevention of the Manipulation of Competitions) in order to strengthen the integrity and ethics of sports, by promoting improvements in transparency, good governance and accountability, as well as protecting clean athletes, supporting the fight against any form of cheating in sport.

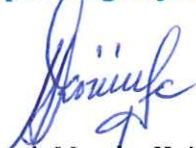

In this concern, CISM is part of the IOC's campaign "Be True, Be You, Believe in Sport" adapting their motto to "Be True, Be You Soldier, Believe in Military Sport" and I am very proud to disclose the new content of CISM website, regarding this topic, that was developed in a common basis with the IOC's "Platform 365" in where all information and e-courses to athletes, coaches and sports managers are available.

It can be found at the tab Ethics and Integrity/Anti-Match-Fixing (<https://www.milспорт.one/ethics-and-integrity/anti-match-fixing#>).

For any additional information, feel free to contact the Single Point of Contact between CISM and IOC , Lt Col Rafael Pinheiro (phone +32 2 650 02 84, e-mail address rafael.pinheiro@milспорт.one).

Sincerely yours,

"Friendship through Sport!"
