Brussels, July 24<sup>th</sup> 2018.

Subject: CISM 70 Project: Memory, Heritage & Legacy

Dear Chief of Delegation,

In the scope of the 70<sup>th</sup> anniversary of CISM foundation, our Council started a Project in order to highlight parts of the magnificent history of our institution.

I'd like to introduce you to "CISM 70 Project: Memory, Heritage & Legacy" that has the proposal of:

- a) update and recover parts of CISM history (written, visual etc);
- b) provide public access to the database (researches in general);
- c) expand and popularize the image of CISM as a global sports institution;
- d) improve the internal organization and infrastructure of CISM HQ; and
- e) promote the accomplishment of a historical-scientific research about CISM contributions in world sports scenario.

This information was presented to the BoD, during 73<sup>rd</sup> General Assembly and Congress, in Punta Cana-Dominican Republic, this year and some actions were already done in CISM Headquarters concerning to statistics data, cataloguing of collection, reorganization of the internal infra-structure, publication of scanned content in the website etc.

This effort can be broader and complete with the contribution of CISM Delegations all over the world.

In the way, I'd like to present you CISM Headquarters intention to receive your information, pictures and scanned documents regarding these main questions, in order to fulfil the archive of each member country:

- a) Participation and results of your teams in competitions CISM competition world level by sports and year (CISM World Games, CISM Military World Championships, CISM Cadet Games etc.);
- b) Participation of members in any of CISM events by function (General Assembly and Congress, Symposium, Continental Meetings etc.)
- c) Organization of any kind of CISM event;
- d) Members of Board of Director by period and function;
- e) Members of CISM staff in Headquarters (Brussels-Belgium), by function and period;
- f) Presidents and members of CISM Sports Committees by sport and period;
- g) Most outstanding military athletes and respective history in CISM competitions; and
- h) Any additional information that the Delegations considers interesting.

The Secretary General  
Le Secrétaire Général
