Female sport

OBJECTIVES: To promote female participation in all parachuting disciplines whilst ensuring fair and equal (gender specific) treatment of these participants.

In addressing the mentioned objectives we have succeeded in encouraging female participation and have seen an increase in the number of female participants.
Female sport

No complaints of unfair treatment or unfavourable conditions (specific to female requirements) were noted.

We are positive about the progress made in promoting female participation.

Should you have any questions or suggestions please contact Jurate Janusauskiene (see CISM website)
