Dear CISM President,

I am extremely sorry to inform you that our the future military leader gathering 3rd CISM World Cadet Games 2018 which was scheduled on April 28-May 6, 2018 has been canceled due to unavoidable circumstances. I feel very ashamed to saying this to you.

I know that many of you brought all CISM members and family to the World Cadet Games occasion and we had to cancel our occasion, because at the same time Indonesia has national political agenda for Provincial and District Simultaneously Election in 2018 and Presidential Election in 2019. It was our obstacles for us but anyhow, this experience has surely given us an important lesson in arranging CISM sport event for the future.

Therefore, on behalf of the Commander-in-Chief of Indonesian National Defense Forces, I would like to apologize, and I regret any inconvenience this may cause you, especially to those of CISM Staff, and all CISM members and all CISM family who have already made travels and accommodation plans, even though I have tried my best to inform you all as soon as possible, to further whether it is acceptable to carry out a courtesy call in Indonesia or Belgium. I am looking forward to seeing you again in other CISM event.

Thank you for understanding the matter.

Your sincerely,

Major General Lodewyk Pusung
Chief of Delegation CISM to Indonesia.
