B. Conduct of a mission

1. The Chief of Mission is responsible for the behavior of his team in sports and general discipline. He shall ensure that members of his mission respect the rules and directives prescribed by CISM and organizers of the championship. The respect of schedules is particularly important as they form the basis for the effective conduct of competitions and ceremonies.

2. The Chief of Mission shall also enforce the rules concerning behavior and dress during the ceremonies. He plays an important role in promoting the CISM spirit among his mission, a spirit represented by friendly attitude towards other missions, courtesy towards organizers and fair-play in competition.

**Article 8.6. ABSENCE OF A MISSION WITHOUT NOTIFICATION**

If a mission which submits a preliminary agreement and/or final entry is absent without notifying the host nation in time, a sanction will be imposed (CISM Regulations, Art. 1.12).

**Article 8.17. RULES OF STAY**

A. General

1. The Chiefs of Mission are responsible for the discipline of their mission. The missions fall under the jurisdiction of the organizing nation. During events, all athletes present on the playing fields are equal before the jury, the referees and to themselves. No one may use his rank to impose his views on sports matters.

2. Civilian members of the missions shall conform to the discipline accepted by all other participants.

B. Military uniforms

1. Unless otherwise approved by the Official CISM Representative, all participants shall wear military uniform during official ceremonies such as the opening and closing ceremonies and medal-awarding ceremonies. Individuals without proper uniform will not be allowed to participate in the championship.

2. The presentation of medals takes place, in principle, during the closing ceremony. The presentation of medals may be done in sports uniform, if for organizational reasons it is not possible to wear military uniforms. This is the case e.g. when the presentation immediately follows a championship sports event. Sports uniforms shall respect the corresponding national criteria (training suit, sports shoes, etc.) Displaying the national flag on the podium by the recipient (athlete or team) at a medal awarding ceremony is forbidden. Individuals failing to respect these prescriptions shall not receive their medal(s) during the official ceremonies.

C. Forbidden actions

1. In conformity with the statutes and traditions of CISM, any political or religious propaganda during a CISM event, in particular the dissemination of documents, pictures, brochures, reviews, etc. is strictly forbidden.

2. Any contravention shall result in the exclusion of the mission from further competition and may result in additional sanctions (Regulations Art. 1.12).

**Article 8.19. ACCOMODATION**

A. Accommodations for missions will be the best available, depending on possibilities at the disposal of organizers and based on categories of guests with reference to article 8.19.C. All Chiefs of Mission are officers and shall be treated as such with equal courtesy, regardless of rank. In case a hosting nation allows staying in other accommodations, this must be mentioned in the Invitation File, Missions that choose to stay in hotels at their own expense must inform the Local Organizing Committee (LoC) in advance in Preliminary Agreement and Final Entry. The LOC will have no obligation to provide extra logistical, financial, or transportation support for these missions and the missions still have to fulfill all their mandatory tasks.

E. All missions, including those of the host nation, shall be accommodated under the same conditions. However, the host nation can provide the possibility to choose another accommodation at own expenses. When this possibility is mentioned in the Invitation File, Missions can choose not to accept the accommodations provided by the LoC and opt for own accommodations. They must inform the LOC via Preliminary Agreement and Final Entry.
