### CISM ATHLETE OF THE YEAR AWARD (Standard Operating Procedures)

Date: 23<sup>rd</sup> May 2021

valid for 2021 AOY selection

Updated by Cdr Ney Anderson – CSC Manager

Original drafted by: Col PEDRO CELSO GAGLIARDI PALERMO – PCSC 2018  
modified by CISM SD 2021

#### 1. PURPOSE

The purpose of this document is to establish a standard operating procedure for the CISM Athletes of the Year selection process as required in CISM Regulations Art. 6.10 and to annually modify the timeline if necessary.

#### 2. GOALS

The goal of this project is to identify and recognize the male and the female athletes on active duty, within the CISM member nations, who have had the most significant sportive performance, allied with the promoting CISM values and enhancing CISM visibility.

#### 3. HISTORICAL BACKGROUND

The CISM Athlete of the Year was discussed few times and the Presidents of Sports Committees (PCSC) officially proposed the topic to BoD during the PCSC Meeting 2017-1 by majority vote.

The PCSC presented the first version of this SOP to the BoD, in November 2017. In 2018 the AOY was implemented in CISM Regulations and the first athletes were elected after 2018 WMCs. The second election took place after 2019 and 2020 there was no WMC due to Covid 19 pandemic.

List of the CISM Athlete of the year can be conferred in the CISM website by: <https://www.milysport.one/events/cism-athlete-of-the-year-award>

#### 4. ELIGIBILITY

The athletes eligible to run for this award are all the male and female active duty military athletes who have participated in Category 1 CISM sports events as:

- (1) CISM World Military Games; and
- (2) CISM World Military Championships.

It is important to mention that this award is not necessarily for the best performance, but for the athlete who has best-promoted CISM values. Performance, fair play, personal empathy, discipline, rules respect, self-behavior, among others are elements that shall be considered for eligibility.

#### 5. EVALUATION PERIOD

One calendar year considering the competition dates, usually 1<sup>st</sup> January- 30<sup>th</sup> November, exceptionally to 31<sup>st</sup> December if a late WMC is taking place in December.
