## FINAL ENTRY - COMMITMENT BY THE CHIEF OF MISSION

NATION :

The undersigned, Chief of Mission declare that he has read the CISM Regulations and moreover understood the following prescriptions:

### Article 1.10. RIGHTS OF MEMBER NATIONS

A. Active member nations have the right to:

Be invited to all CISM championships.

B. Inactive member nations have the same rights as active member nations except that:

They do not participate in any CISM event until they have met their financial obligations (principle "No Pay- No Play"). In this sense, inactive nations may not be part of any continental/regional CISM structure/entity (continental offices, regional offices, etc.). If they want to take part in CISM competitions, the membership fee must be paid before the deadline set to return the final entry for the respective competition.

### Article 7.22. PARTICIPATION - MILITARY STATUS

- A. Only military personnel on active duty in Armed Forces may take part in competitions organized by CISM except for Para sport.
- B. No one may be recalled to active duty in the Armed Forces for the purpose of participating in a CISM competition. In the case of an intermittent military service, the athletes regularly recalled may not take part in CISM competitions, under any circumstances, if more than 18 months have elapsed between this recall and the end of their last call to arms except for Para sport.
- C. Veteran soldiers wounded or injured while on active duty may be included as part of a nation's mission and participate in CISM Para sport competition/event.
- D. Exceptions to the above may be authorized by the General Assembly, upon recommendation of the Board of Directors.
- E. All military participants in a CISM event shall be in possession of proper documentation which signifies active military service of the member nation he represents. The documentation can be:
  - 1. a valid military identity card for those athletes who are authorized to present their military identity cards abroad,
  - 2. a form of verification (in English and/or French) of military status accompanied by a passport.
  - 3. For the Veteran para-athletes, the Chief of Delegation concerned must certify in writing that the veteran soldier was wounded or injured on active duty.

- F. By signing the final entry, the Chief of Delegation confirms the military status of the participating athletes. If there are last-minute changes in the participation of the athletes, the verification file may be signed by the Chief of Mission, but shall be confirmed by the Chief of Delegation by official letter.
- G. If one of these documents is not available, participation is refused.
- H. An athlete who has represented one country in CISM competitions (World Military Championship, World Games, World Winter Games, continental and regional championship), in the Olympic Games, or in any competition at world, continental or regional level recognized by the relevant IF, and who has changed his/her nationality or acquired a new nationality, may participate in CISM competitions representing his/her new country provided that at least two years have passed since the competitor last represented his/her former country.

#### **Article 7.31. CHIEF OF MISSION**

##### **A. Chief of Mission**

- 1. Chiefs of Mission shall be familiar with CISM regulations.
- 2. Missions must not only participate or be present at sports events, they are also required to participate in information conferences on CISM, study days, commemorative and cultural events and ceremonies organized by the host nation.

##### **B. Conduct of a Mission**

- 1. The Chief of Mission is responsible for the behavior of his team in sports and general discipline. He shall ensure that members of his mission respect the rules and directives prescribed by CISM and organizers of the championship. The respect of schedules is particularly important as they form the basis for the effective conduct of competitions and ceremonies.
- 2. The Chief of Mission shall also enforce the rules concerning behavior and dress during the ceremonies. He plays an important role in promoting the CISM spirit among his mission, a spirit represented by friendly attitude towards other missions, courtesy towards organizers and fair-play in competition.

#### **Article 8.6. ABSENCE OF A MISSION WITHOUT NOTIFICATION**

If a mission which submits a preliminary agreement and/or final entry is absent without notifying the host nation in time, a sanction will be imposed (CISM Regulations, Art. 1.12).

#### **Article 8.17. RULES OF STAY**

##### **A. General**

- 1. The Chiefs of Mission are responsible for the discipline of their mission. The missions fall under the jurisdiction of the organizing nation. During events, all athletes present on the playing fields are equal before the jury, the referees and to themselves. No one may use his rank to impose his views on sports matters.

2. Civilian members of the missions shall conform to the discipline accepted by all other participants.
- B. Military uniforms
1. Unless otherwise approved by the Official CISM Representative, all participants shall wear military uniform during official ceremonies such as the opening and closing ceremonies and medal-awarding ceremonies. Individuals without proper uniform will not be allowed to participate in the championship.
  2. The presentation of medals takes place, in principle, during the closing ceremony. The presentation of medals may be done in sports uniform, if for organizational reasons it is not possible to wear military uniforms. This is the case e.g. when the presentation immediately follows a championship sports event. Sports uniforms shall respect the corresponding national criteria (training suit, sports shoes, etc.) Displaying the national flag on the podium by the recipient (athlete or team) at a medal awarding ceremony is forbidden. Individuals failing to respect these prescriptions shall not receive their medal(s) during the official ceremonies.
- C. Forbidden actions
1. In conformity with the statutes and traditions of CISM, any political or religious propaganda during a CISM event, in particular the dissemination of documents, pictures, brochures, reviews, etc. is strictly forbidden.
  2. Any contravention shall result in the exclusion of the mission from further competition and may result in additional sanctions (Regulations Art. 1.12).

#### **Article 8.19. ACCOMODATION**

- A. Accommodations for missions will be the best available, depending on possibilities at the disposal of organizers and based on categories of guests with reference to article 8.19.C. All Chiefs of Mission are officers and shall be treated as such with equal courtesy, regardless of rank.

In case a hosting nation allows staying in other accommodations, this must be mentioned in the Invitation File, Missions that choose to stay in hotels at their own expense must inform the Local Organizing Committee (LOC) in advance in Preliminary Agreement and Final Entry. The LOC will have no obligation to provide extra logistical, financial, or transportation support for these missions and the missions still have to fulfill all their mandatory tasks.

- E. All missions, including those of the host nation, shall be accommodated under the same conditions. However, the host nation can provide the possibility to choose another accommodation at own expenses. When this possibility is mentioned in the Invitation File, Missions can choose not to accept the accommodations provided by the LoC and opt for own accommodations. They must inform the LOC via Preliminary Agreement and Final Entry.

In line with a recent CISM Board decision, delegations may choose accommodations outside those provided by the host nation, pending approval by the Local Organizing
